Reader Survey and Data Supplement Order Form

Our goal in providing this report is to give you a clear accounting of the range of environmental activities we undertake, the methods we employ, and the degree of accuracy of our results. It is important that the information we provide is easily understood, is of interest, and communicates LLNL’s efforts to protect human health and the environment and to comply with environmental regulations. We would like to know from you whether we are successful in these goals. Your comments are welcome.

1. Is the technical level  □ too high?  □ too low?  □ uneven?  □ just right?
2. Is the writing  □ too concise?  □ too verbose?  □ uneven?  □ just right?

3. Do the illustrations help you understand the text better?  □ Yes  □ No
   Are there enough?
   Too few?
   Too many?
4. Is the background information sufficient?
5. Are the methodologies being described understandable?  □ Interesting?
6. Are the glossaries and appendices useful?
7. Are the data tables of interest?
   Would you prefer short summaries of data trends instead?
